Dear members of the TACOM LCMC Warren Community-

As the TACOM LCMC Safety Director, it is my pleasure to encourage all members of the TACOM LCMC Community working on the Detroit Arsenal to get out and have a great time at the 2009 Organization Day! Our fire/EMTs, and safety personnel will be out to assist and support this event. Please partner with us to make this event fun and safe for all involved by doing the following:

Prepare for the sun by wearing sun screen, hats, and protective clothing.

Beware of inclement weather.

Drink plenty of water, and stay well hydrated.

Keep a close eye on children and minors, keeping in mind that the Warren Community Center is a larger facility than we had here. Also, supervise them around the pool, hot tub, and petting zoo areas.

- - - City ordinance prohibits any pets at the Warren Community Center - - -

Those bringing their bikes, skateboard or rollerblades must wear helmets and proper safety gear.

Finally, if you choose to consume beer or a wine cooler through the Beverage Tent, consider the following:

- Eat plenty of food first.
- Keep in mind that it take approximately one hour for each beer or beverage to dissipate through your system.

Please drink responsibly!

Pass your keys to a friend or relative or call a taxi!

Have a great time and be safe!

George Jarvis
TACOM LCMC Safety Director
