Piano lessons: Learning the piano keyboard

Studies show that playing a musical instrument can increase your child's concentration, coordination, and self esteem. We are proud to now offer individualized instruction in piano for children 6 and up. Your child will learn playing techniques, music theory, hand position, reading music, and knowledge of chords. Our instructor has years of experience teaching private lessons and has a Bachelor's degree in music education.

WHEN: Saturday's

TIME: multiple times available starting at 10:00am

WHERE: Building 273

Cost: \$14 per ½ hour lesson
