In support of the Army Family Covenant, FMWR’s Recreation, Leisure Travel and Marketing recently coordinated a Special Military Appreciation Night with the Detroit Pistons and received the following comments related to the event:

“I had a great time. The greeting and treatment were outstanding! The event hosts were superb and even included the Pistons dance team (Automation). Definitely a class act.”

“Best seats in the house! I was in seats right next to the Pistons bench, close enough to hear them in the timeout team huddles. Evening was extremely enjoyable. Once in a lifetime experience.”

“Thank you so much for offering the event to us and wanted to say great job to you and the other staff that helped put it together.”

“The Detroit Arsenal FMWR has done an awesome job this year. The staff has secured too many to mention discounts and tickets to some wonderful venues for the military, DoD, retiree, and their family members.” Merry Christmas and Happy New Year! Keep up the great work!”
